and agrees to pay for water used according to the established rates of the York Water District as filed with the Maine Public Utilities Commission, until notice to discontinue such service is given and agrees to conform to all rules and regulations which are now in force or may hereafter be adopted and filed with Public Utilities Commission.

The meter is to remain the sole property of the Water District and I (we) agree to properly protect the meter from freezing or accidental damage and will not permit tampering with or removal of same except by an authorized person or representative of the Water District. It is understood and agreed that the authorized person or representative shall have access to the meter at all reasonable times and that I (we) will be responsible for said meter while in the above property, and will pay for all repairs made on said meter where damage results from improper care. I (we) understand that accounts must be paid in full each billing period unless some other arrangements are made.

Charges for Establishment of Service : The York Water District will charge \$20.00 to establish water service if it is not necessary for the District to visit the premises. If it is necessary for the District to visit the premises, the District will charge \$48.00 per hour, one hour minimum charge to establish water service during normal business hours. Other hours, the charge will be \$74.25 per hour, one hour minimum charge.

This application does not obligate the District to grant your request. You will be notified of acceptance or rejection of your request after field verification of availability for service.
