

## York Water District retirement

- **By Press Release**

Posted Jan. 19, 2016 at 3:02 PM

YORK - The York Water District has announced that Michael "Doc" Avery plans to retire Jan. 28. Avery has been responsible for the District's Safety Committee for many years ensuring a safe working environment for his co-workers.

The District would like to thank Avery for his 31 years of service and wishes Avery and his family the best in the future.
