Jeanne S. Paquette
COMMISSIONER

York Water District
86 Woodbridge Rd.
York, Maine 03909

2/26/2013

Dear Don Newman

Thank you and your staff for another successful renewal of the Maine SHAPE program. Enclosed is a date tag to attach to the bottom of your plaque. We have decided that when your next renewal comes due, that if you demonstrate the same dedication to your safety inspections as you have done in the past, and we find nothing during the inspection, we will extend your renewal date out to 4 years instead of 2.

We look forward to working with you and the staff to maintain the exemplary workplace which you have worked so diligently for.

Respectfully,

A handwritten signature in black ink, appearing to read 'Michael LaPlante'.

Michael LaPlante
Occupational Safety & Health Supervisor
