SCHEDULE OF SYSTEM DEVELOPMENT CHARGE

Charges are applicable to the Town of York as set forth in the District's charter as amended.

APPLICABILITY:

To all new customers, and existing customers who increase their meter size, excluding Municipal and Private Fire Service.

RATES FOR NEW CUSTOMERS:

<u>Meter Size</u>	<u>Charge</u>
5/8"	\$1,188.19
3/4"	\$2,536.45
1"	\$5,850.42
1-1/2"	\$12,787.75

RECEIVED
2002 APR 11 AM 8:56
YORK WATER DISTRICT

For meters 2" and larger, the system development charge will be calculated by York Water District based upon the estimated consumption. The charge will then be adjusted after 3 years service history based upon actual usage during the 2nd and 3rd years.

6.A.1
Sheet 2
Original

RATES FOR EXISTING CUSTOMERS:

For existing customers who increase meter size, the charge will be the difference between the system development charge for the new meter size, and the charge for the existing meter size.

Example Only:

New 1" Meter	\$5,850.42
Less Existing 5/8" Meter	<u>\$1,188.19</u>
Balance Due	\$4,662.23

RECEIVED
APR 11 AM 8:56
1000 SOUTH
10TH STREET
TULSA, OKLA 74103

ANNUAL ADJUSTMENT:

All system development charges shall be adjusted annually upward or downward to reflect inflationary/deflationary changes in construction costs. This adjustment shall be made every year beginning April 1st. The adjustment will be made according to the Whitman, Requardt and Associates published index.

TERMS OF PAYMENT:

The system development charge shall be paid by the customer before connection of the water system.
